

# BUDAPEST WORKSHOP 2018: "EXPERIENCING A FAIRER AND MORE CARING SOCIETY"

*Posted on 26 March 2019*

## About access to education

## About decent housing

## About strategies

*"I am proposing football to the children and, through sports, pushing them to go to school. The work that we are doing in our neighbourhood is very difficult, but if we don't do it who else will?"*

*Alina showed us how to make human pyramids to demonstrate how circus activities can help people learn to trust each other.*

## **In conclusion:**

*“All of us are feeling isolated and alone in our work. Finding each other in this place is inspiring because we now know that we are not alone in what we do. We even found ideas for cooperation in the future.”*
