

FOLLOW 17 OCTOBER ON WEB TV

On 17 October, an extraordinary Web TV event invites you to follow commemorations for the World Day to Overcome Extreme Poverty all across the world.

For the very first time, anyone, from anywhere in the world, interested in participating will be able to be part of the World Day to Overcome Extreme Poverty, thanks to a WebTV program to be streamed in three languages (English, French, and Spanish) over 24 hours.

This exciting event will be available on the [#StopPoverty](https://www.stop-poverty.org/) website, thus making the World Day of 17 October a truly global occasion.

On our WebTV, you can view numerous initiatives, reports and personal testimonies showing that extreme poverty is not inevitable, as well as the broadcasts of 6 international commemorations.
