

MEMBER OF ATD'S FULL-TIME VOLUNTEER CORPS: A JOB OR A COMMITMENT?

Paul Maréchal joined ATD's [Volunteer Corps](#) in 2000. After living and working in low-income communities in Noisy-le-Grand, France, and then in Guatemala City, he is currently supervising ATD's international administration and finances.

Trained as an engineer, and previously employed by L'Oréal, Paul speaks in this video about what motivated him to leave that career to become a volunteer.
