

WE'RE WAITING FOR YOU AT OUR YOUTH CONSTRUCTION CAMPS!

Are you between 18 and 30? Would you like to meet other people your age? How about learning more about ATD Fourth World?

Bring your hands and, more important, your life experiences and participate in a youth construction camp! These take place at several locations.

You will help with the upkeep of different ATD centres. So that they can continue to welcome and train [activists](#), [Volunteer Corps](#) members and [Allies, Supporters and Friends](#).

Examples of activities include excavation, masonry, painting, and maintaining green spaces. Professionals will be on hand to help everyone to learn new skills. In the evening, there will be discussion groups and videos on extreme poverty around the world and ways to overcome it. Participants will hear from ATD activists who have experienced poverty themselves or those working alongside them. Working knowledge of French, Spanish or English is desirable.
