**“Come on! Let's look together for the keys to friendship and peace!”**

Soon, we will celebrate Tapori's 50th anniversary! To mark this anniversary, there will be many celebrations throughout the world in 2017.

For many years now, children throughout the world have shared their stories of courage and friendship in the Tapori newsletter.

All the stories show that it is important to go toward others we don't know, and to never leave anyone behind. They also show that it is not always easy to make new friends.

Soon, we will celebrate Tapori's 50th anniversary! To mark this anniversary, there will be many celebrations throughout the world in 2017.

For many years now, children throughout the world have shared their stories of courage and

friendship in the Taporí newsletter.

All the stories show that it is important to go toward others we don't know, and to never leave anyone behind. They also show that it is not always easy to make new friends.

At the start of this new campaign, we invite you to read the story of Irenge and to do the activities we propose in this newsletter.

Going toward 2017, let's look together for the keys to friendship and peace!
