Mpendwa rafiki,

Umesaini mwito kwa vitendo kama walivyosaini maelfu ya watu wengine kutoka pande zote duniani. Hizi sahihi zote zitawasilishwa mapema Umoja wa Mataifa. Tunakutumia utepe ambao utauvaa kuonyesha ushupavu wako na kuzungumza kuhusiana na huo utepe.

Mwaka huu tena, siku ya Kimataifa ya kuutokomeza umaskini uliokithiri; itasherehekewa tarehe 17 mwezi huu katika nchi zaidi ya mia moja 100 katika dunia nzima. Siku hii ilisherehekewa kwa mara ya kwanza miaka 20 iliyopita katika mji wa Paris (Ufaransa) mbele ya jiwe la kumbukumbu ambalo juu yake maneno haya yamechongwa.

« Popote pale wanaume na wanawake wanapohukumiwa kuishi katika umaskini uliokithiri, haki za binadamu zimekiukwa.

Kuungana pamoja ili kuhakikisha kwamba hizi haki zinaheshimiwa ni jukumu letu sote. »

Padri Joseph Wresinski

Mwezi huu tarehe 17 Ally na Issa, wanachama wawili katika timu yetu ya ATD Fourth World katika Dar es Salaam. Watatuwakilisha katika mji wa Paris, kushuhudia ushujaa wa maskini katika mapambano yao ya kila siku dhidi ya umaskini.

Tunawatakia Oktoba 17 njema!

This year again, the International Day for the Eradication of Poverty will be celebrated on October 17th in more than one hundred countries throughout the world. This day was celebrated for the first time twenty years ago in Paris (France) in front of the commemorative stone where these words are engraved:

" Wherever men and women are condemned to live in extreme poverty, human rights are violated.

To come together to ensure that these rights be respected is our solemn duty."

Father Joseph Wresinski

This October 17th, Ally and Issa, two members of our ATD Fourth World team in Dar es Salaam, will be our delegates in Paris, to bear witness to the courage of the poorest in their daily fight against poverty.

Have a good October 17th!
