

TAPORI

brings together children from different backgrounds in a spirit of friendship. They learn from children whose daily lives are very different from their own. They reflect and act for a more just world that leaves no one behind.

"ACTING TOGETHER"

TAPORI CAMPAIGN 2019 - 2020

30th ANNIVERSARY OF THE CONVENTION ON THE RIGHTS OF THE CHILD

Hello Taporí members,

Taporí is concerned about how children live, and about the conditions they need to have a healthy and happy life. Taporí also likes to know what children are doing so all children have the same chances.

This year, once more, Taporí is going around the world with a new Campaign. There will be four issues of the Taporí newsletter. They will invite Taporí members to share what children around them are living.

In each of these four newsletters, there will be stories, games and activities. This is the first of the four newsletters.

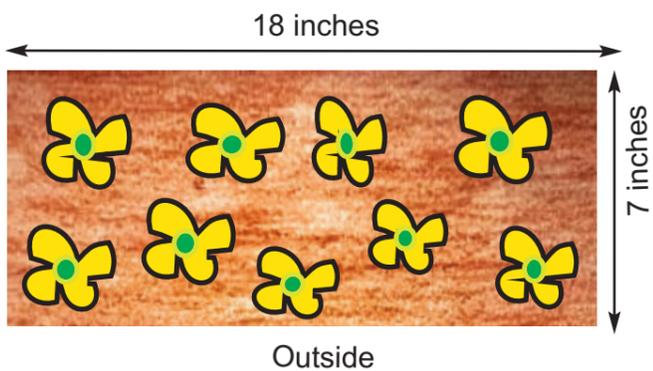

The first thing to do is:

Make a bag to keep what you will create during the campaign. Later on, you will show and explain your creations. When you see this yellow flower,  put what you have created into the bag.

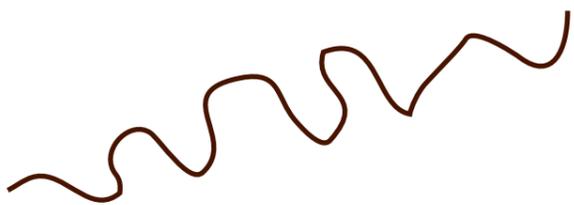

How to make your bag.

What you will need:

- A rectangular piece of fabric 18 x 7 inches

- 2 pieces of string, each 32 inches long.

- Some sewing thread, scissors, tape measure or ruler.

- Sew the two sides together, $\frac{1}{4}$ inch from the edge up to the hem.

- Make a knot of the two ends of strings on each side. Turn the bag inside out.
- Your bag is ready!
- Keep it; you will need it all during the campaign.

" Basic needs and other needs "

Tip:

Each Tapori group will look for **images and objects to show** what they want to say.

1. Each group writes their own ideas on a sheet of paper. If there are many children in the group, they can make several smaller groups.
Separate your ideas **into two categories**: things you need to live (**basic needs**) things you need to live a happy life (**other needs**).

2. Find a creative **way to share the ideas**: **pictures** from magazines, **or small objects**, or **drawings**.

Gather all the ideas from all the groups. Each group presents the pictures and objects that represent the needs.

3. Compare the difference between "**basic needs**" and "**other needs**".

The basic needs are called rights. (See page 5)

Do some rights surprise you or are there rights you don't understand? Why?

Do you know children who don't have these rights?

4. Put all the objects and pictures in your bag.

Go to the pictures on page 5 and 7.
